You have a right to cancel a policy within 30 days after receipt from FMI of the summary contemplated in section 48 of the Long-term Insurance Act 52 of 1998. Such notification of cancellation must be made in writing. The same applies to certain changes you may make to a policy. FMI is obliged to confirm to you whether you have this right and to explain how to exercise it. Please bear in mind that you may not exercise it if you have already claimed under your policy or if the event, which the policy insures you against, has already happened. If the policy has an investment component, you will carry an investment loss.

All notifications should be sent to:

It is very important that you are quite sure that the product or transaction meets your needs and that you feel you have all the information you need before making a decision. It is recommended that you discuss with the intermediary, the possible impact of the proposed transaction on your finances, your other policies or your broader investment portfolio. You should also ask for information about the flexibility of any proposed policy. Where paper forms are required, it is advisable to sign them once they are fully completed. Feel free to make notes regarding verbal information, and to ask for written confirmation or copies of documents. Remember that you may contact either the Long-term Insurance Ombudsman or the Registrar of Long-term Insurance, whose details are set out below, if you have any concerns regarding a product sold to you or advice given to you.
